

FOR IMMEDIATE RELEASE

March 13, 2020

Englewood Library COVID-19 Closing

The Englewood Public Library will close beginning on Monday, March 16, out of an abundance of precaution due to COVID-19. The library will be increasing its digital offerings during this time, including online programming, classes, and events, and increases to the size of our collection of eBooks and eAudiobooks.

All in-person programs are cancelled until further notice. To stay apprised of our online offerings, our plans to reopen, and other services, please follow the Englewood Library on Facebook, Twitter, or Instagram, or subscribe to our email newsletter by texting EPL to 22828 or at the following link:

<https://tinyurl.com/u7fk3sn>

While the building is closed, it will be undergoing deep cleaning. If you have overdue items, please note we are not charging fines. We are working to extend all due dates.

When we reopen, our goal is to provide a safe, welcoming, and healthy environment for all members of the public and library staff.

For more information contact the library director, John Arthur, at Arthur@englewood.bccls.org.

Please check the City of Englewood's website for more information:
